SECTION IX: TERMS AND CONDITIONS / FLIGHT TRAINING

Our accelerated training courses are designed to encompass most of the estimated costs of completing your training course(s). This includes your hotel accommodations, training materials, aircraft rental, instructor time and simulator time. It must be noted here that our training courses are not pre-paid packages. While you are required to keep funds on account during your training, ultimately, you will only pay for the products and services you actually used during your training course. Upon completion of your training course, any unused funds remaining on your account can either be rolled over for additional aircraft rental or training if desired, or **will be refunded to your credit card within 30 days**. An itemized statement of your account will be provided to you upon request at the conclusion of your time with us and upon completion of an audit of your charges.

A \$500 deposit is required with this application and then an additional \$2,500 due upon arrival, prior to your first lesson. The funds are refundable less a \$250 cancellation fee, up to fifteen (15) days prior to your stated intended arrival date (less than 15 days advance notice of cancellation will result in the forfeiture of your entire deposit). At the conclusion of your training, all remaining funds except for your initial \$500 deposit will be promptly refunded to your credit card on file. Your initial \$500 deposit will be held for an additional 30 days while a thorough audit of your account is being performed at which time your \$500 deposit (plus or minus any needed adjustments) will be refunded to you. SunState Aviation accepts Visa, MasterCard, Discover and American Express, Travelers Checks and Cash. **Sorry, we cannot accept any personal checks for payment. No refunds on pilot training computer software programs.**

No guarantees are implied with any of our accelerated courses. The courses are designed to be completed in the times specified; however circumstances that are beyond our control could prevent you from completing the course in the specified time. These circumstances may include but are not limited to the following: Adverse weather, equipment failure, and the student's own limitations. In the case of a training course not completed in the specified time, the student may elect to extend their training until completed, return at a later date to finish the course or receive a refund of any unused funds on account (subject to pro-rata if less than 15 hours of flight training had been completed). The training and hours received up to that point could still count toward your certificate or rating, even if you elect to finish your training at another facility.

Our mission is to do all that is in our power to see that you achieve your goals during your training with SunState Aviation Flight School. We pride ourselves on providing the best available equipment, materials and instructors, as well as the industry's best and only integrated flight training syllabus. Your complete satisfaction is our primary goal, however if you perceive that any aspect of your training experience is not meeting your expectations, please let us know how we can better serve you and we will do all that we can reasonably do to make your training course a memorable experience for you.

By my signature I accept these terms and conditions:

SECTION X: AIRCRAFT RENTAL AGREEMENT

The renting pilot is responsible for the safe and conscientious operation of the aircraft until it is returned and securely tied down at SunState Aviation facilities. The following company aircraft rental policies and conditions apply to each flight.

I, the renting pilot, agree:

1. To operate in accordance with all applicable FAA regulations.
2. Not to use the aircraft for flight instruction to any individual, unless I am an authorized SunState Aviation Instructor on a specified dual training flight.
3. To land only at FAA designated airports that are safe and suitable under the prevailing conditions.
4. Not to authorize or allow any other person to operate or handle the aircraft.
5. To telephone SunState Aviation (407-944-3592, 407-944-3594, 1-800-941-4359) if I am unable to return the aircraft at the agreed time for any reason.
6. To pay any landing fees, tie down fees, or any other charge incurred by me while the aircraft is in my possession.
7. Concerning overnight flights you must request and receive approval from the management of SunState Aviation before putting the flight on the schedule.
8. To pay a minimum charge of four hours for each day that the aircraft is in my possession, unless prior approval is acquired from management.
9. To report all accidents, major or minor to SunState Aviation at once, together with the names and addresses of witnesses and involved parties. In the event of an accident I will not permit the aircraft to be moved unless expressly authorized by SunState Aviation Flight Center or local, state, or federal authorities and will do all that I can to protect the aircraft and its equipment from further loss.
10. To pay an interest charge on any balance remaining in delinquent status (30 days or more over due) to SunState Aviation. Interest charges will be computed at 18% APR or 1.5% per month or 0.0493% per day whichever is greater.
11. To accept the Hobbs Meter reading to the next highest tenth if it is showing. If no Hobbs Meter is installed, the tachometer will be used and the flight time will be computed at 1.2 times the tach. time. Should the starting time be recorded incorrectly, I must bring this to the attention of the flight desk before starting the flight.
12. To pay the cost of recovering the aircraft if abandoned away from Kissimmee Municipal Airport (ISM) including: all transportation expenses for one pilot to the abandoned aircraft, pilot time at standard solo rate for all time recorded on the aircraft while away from home base, and all other costs directly related to this operation.
13. To obtain weather reports and forecasts, to file FAA flight plans for all cross-country flights, and to use the aircraft only for this purpose and over the route specified.
14. Should I need to purchase fuel for the aircraft, I will have it credited to my account for the amount of my purchase or the current SunState Aviation reimbursement rate, whichever is less. I understand all purchases must be documented with an original receipt at the time the aircraft is returned.
15. To see that the aircraft is securely tied down in a proper area, master and ignition switches off, controls secured, and doors locked.
16. To remain current in each aircraft I fly in accordance with FAR's and to have a recheck if I have not flown a SunState Aviation aircraft within the preceding 90 days.
17. In regards to a refund on a Pre-Paid Account, I understand a full refund will be given, however unless at least 15 hours were flown by me, then I agree to pay the difference between the discounted Pre-paid Rate and the current retail price. I understand my refund will then be based upon the remaining funds available. SunState Aviation will then perform an audit of my account to ensure the accuracy of all charges prior to a full refund (management may elect to provide a partial refund until the audit can be completed). I understand this process can take up to 20 business days to complete.
18. To accept and abide by the current no show policy of SunState Aviation. If I am unable to fly an aircraft as scheduled, I will notify SunState Aviation at (407-944-3592) at least twelve hours prior to scheduled flight time. If I am more than 15 minutes late for a scheduled flight and the flight cannot be reasonably completed in the remaining time scheduled, then I agree to have the flight labeled as a "No Show" and pay a fine equal to ½ of the time scheduled at the aircraft's normal rental price if solo flight or ½ of the time scheduled at the aircraft's normal rental plus full time scheduled for the appropriate instructor if dual flight.
19. To pay all sales and uses taxes in accordance of state laws.
20. Not to either perform or authorize any repairs or adjustments, nor make any purchases in relation to the aircraft without authorization from SunState Aviation management.
21. To accept liability for any damage done to the aircraft while in my possession.
22. Not to smoke in the aircraft. If found to be in violation of SunState's non-smoking policy, I forfeit all privileges as a SunState Aviation customer.
23. To provide all necessary personal identification as requested by the flight desk including, but not limited to driver's license, passport, and applicable visas.

Continued on next page...

- 24. To be subject to a background check and associated fees as required by the FAA.
- 25. To maintain aircraft security and cleanliness by following the checklist (ie: electrical switches, fuel selector valve, control-lock, proper tie-down, locking all doors and installing pitot tube cover) and removing all trash from the flight deck after each flight. If found in violation of SunState’s security and cleanliness policy I agree to pay a \$50.00 clean up fee.

SECTION XI: Covenant Not to Sue, Liability Release, and Assumption Of Risk Agreement

I, [REDACTED], hereby affirm that I am aware that flying and activities associated with flying have inherent and unforeseeable risks which may result in serious injury or death. I understand and agree that neither my instructor nor SunState Aviation, nor any of their respective employees, officers, agents, contractors, or assigns, (hereafter referred to as "Released Parties") may be held liable or responsible in any way for any injury, death, or other damages to me, my family, estate, heirs or assigns that may occur as a result of my participation in flying aircraft, flying in aircraft, flight instruction, aircraft rental, aircraft operations, ramp operations, or any associated activities involved with these activities, (hereafter referred to as Flight Activities), or as a result of the negligence of any party, including the Released Parties, whether passive or active.

In consideration of being allowed to participate in Flight Activities, I hereby personally assume all risks of Flight Activities, whether foreseen or unforeseen, that may befall me while I am participating in these activities. I, further release, exempt, and hold harmless the Released Parties from any claim or lawsuit by me, my family, estate, heirs, or assigns, arising out of my participation in Flight Activities including both claims arising during any course of training or after I receive my pilot certification(s).

I also understand that Flight Activities are physically demanding and that I must seek the ongoing care of a licensed and authorized aviation medical examiner and that I will not hold Released Parties responsible for events resulting from my physical condition, limitations, or incapacitation.

I further state that I am of lawful age and legally competent to sign this liability release or that I have acquired the written consent of my parent or guardian.

I understand the terms herein are contractual and not merely recital, and that I have signed this document of my own free act and with the knowledge that I hereby waive my legal rights. I further agree if any provision of this Agreement is found to be unenforceable or invalid, that provision may be served form this agreement; however the remainder of this agreement shall then be construed as though the unenforceable provision had never been contained therein.

I, [REDACTED] BY THIS INSTRUMENT AGREE TO EXEMPT AND RELEASE MY INSTRUCTORS, SUNSTATE AVIATION, AND ALL RELATED ENTITIES AS DEFINED ABOVE FROM ALL LIABILITY OR RESPONSIBILITY WHATSOEVER FOR PERSONAL INJURY, PROPERTY DAMAGE, OR WRONGFUL DEATH HOWEVER CAUSED, INCLUDING, BUT NOT LIMITED TO, THE NEGLIGENCE OF THE RELEASED PARTIES, WHETHER PASSIVE OF ACTIVE.

I HAVE FULLY INFORMED MYSELF OF THE CONTENTS OF THIS LIABILITY RELEASE AND ASSUMPTION OF RISK AGREEMENT BY READING IT BEFORE I SIGNED IT ON BEHALF OF MYSELF AND MY HEIRS.
